

Titan Ecological Relationships Cartoon Assignment

Task

Design and construct a cartoon that depicts the relationship assigned to your group.

- Do some B.S.^{ing} (Brain Storming) and put some thought into it.
- Your cartoon maybe be single or multi-panel.
- **Pitch your idea to Mr. Wick BEFORE you begin drawing your cartoon.**
- Add a large title.
- Put some effort into the drawing. Be neat.
- Add color.
- Make it funny and original.

Choose one of the following Relationships: **Predation, Obligatory Parasitism, Facultative Parasitism, Interspecific Competition, Intraspecific Competition, Neutralism, Commensalism, Mutualism, Amensalism.**

Evaluation

If it makes sense (clearly depicts the relationship), is neat, is colored, looks like some effort went into designing and constructing it, and is somewhat funny you will earn full marks.
